Greeting Parents/Guardians,

Parents can now follow along with their camper's day and have access to important updates and events by visiting [www.facebook.com/BozenkillPark](http://www.facebook.com/BozenkillPark). You can choose to LIKE the page and will then receive instant notifications on all the activities happening at camp this summer.

Adriene Bush, our camp director, and her staff pride themselves in creating a safe and fun experience for our campers. The staff may take pictures and videos to share with the camper's family on Facebook. Camper's names are never published or released. We want to ensure parents and children are comfortable.

We understand that not everyone wishes for their child to be photographed, for this reason we have attached a release for parents to provide permission for their camper to be recorded. If you wish to allow us to photograph camper's activities, please sign the enclosed release form. If you do not wish to participate, please print your child's name on the form and write "PERMISSION DENIED". This will help us respect and protect your rights. I have enclosed a postage paid envelope. Please mail completed form back to us asap.

If you have any questions, please feel free to ask the staff at either the Village Office or Camp Director Adriene Bush.

Thank you!
