

**Summer 2023**

**Welcome Campers,  
Get ready for an amazing summer. In order to participate in fun and  
exciting activities, you must pack the following:**

**water  
snack  
sneakers and sandals  
swim shoes for pool  
sunglasses  
suntan lotion  
pants and long sleeve shirts to change into for the woods  
bathing suit  
towel**

**It is important for you to know that the staff does not administer any  
medication, suntan lotion or insect repellent. Please come ready to go  
for all of the morning activities. If you have any questions or concerns  
please talk to one of the counselors at morning drop off (8:30). In  
addition, please remember parents must sign their child out at the end  
of camp (12:00). This helps to ensure the safety of all campers.**

**We are excited for you to join us for a great week of fun!**

**Sincerely,  
Jami Rubin, Camp Director**
