materials used	
** No more than 2 rectangles may be used to en	close and measure the area of a sign
**************************************	RDBOARD RENDERING WILL BE ACCEPTED***********************************

PLAN PLOT: One plot plan of the parcel on which the sign is to be placed shall also be submitted delineating property lines, street lines, building locations and dimensions and parking areas. Other signs shall be noted showing the exact location and size of said signs. Proposed sign shall be shown including dimensions of setbacks from property lines.

Where a parcel has more than one frontage, the primary frontage shall be designated on the plot plan.

Plot plan should show where the proposed sign would be located and shall include the length of building if sign will be placed on façade.

Please fill out a Building Permit for each individual sign. Said Building Permit shall be accompanied with a non-refundable check for the Building Permit fee and the following:

- 1. Structural details, including foundation, vertical and horizontal supports, framing and fastening and joining methods and materials.
- 2. Statement prepared by a licensed NYS engineer indicating sign structure complies with Building Code of NYS.

\*\*\*ALL plans shall bear signature, mailing address and daytime phone # of the owner, applicant or designer responsible for design of sign.

I have read, understood and have provided the information requested from the checklist provided. I hereby make application to the Zoning Board of Appeals, Village of Altamont, to permit the placement of a sign as described throughout and in the provided.
